As the days grow darker in December, we all the more seek light. The month of December has the shortest day and the longest night, yet we as Christians celebrate the entrance of THE LIGHT OF THE WORLD during this Christmas season.

We are reminded again, that God our Creator and Father of all, entered into the world for us through Jesus Christ our Lord for our salvation from sin. What a loving God we have. ONE who has not abandoned us but came for us to reconcile us unto Himself so that we might enjoy His Eternal Presence now and forever through Eternity.

This is the season of self-sacrificial love as God demonstrated to us through His Son Jesus, who, gave of Himself on the cross to secure our forgiveness of sin and to secure for us a place to dwell for eternity with our God and Savior.

Here at Lakeview Methodist Health Care Center we celebrate this season of Christmas with traditional decorations and ornaments and a campus-wide Christmas Eve service on December 24.

As a faith based campus we strive to celebrate all the holy days throughout the year. So as we prepare in this Advent season to once again celebrate the first Advent of Jesus, so now we live in the Second Advent of Jesus, waiting for Him to fulfill all prophecy and come for us to Reign as our King of Kings and Lord of Lords, and to usher in the promised new heaven and earth.

What a season of joy and expectancy! May God bless all of you!

Lakeview Methodist staff and residents wish for all a most blessed Christmas and may God bless us with an expectant New Year.

Chaplain Bruce Koskovich

We appreciate the generosity of those who support Lakeview’s mission. It is truly with a thankful heart that we accept the following gifts and donations:

- Bequest in honor a Will or Revocable Trust for a specific amount, for a percentage of the estate’s value, or from the residue of the estate
- Charitable Gift Annuity
- Charitable Remainder Trust
- Gift of Life Insurance
- Beneficiary Designation: IRA, 401k, CD, Other
- Gift of Appreciation Assets
- Other Cash & Monetary Donations

All gifts are tax deductible.

When interviewing a 34-year veteran, there is really only one opening question: “what has kept you at Lakeview for so long?” Without missing a beat Deb answered, “I LOVE this place! The residents and their families are MY second family.”

Deb not only works a full time schedule, she covers for ill co-workers, she covers during snowstorms, she covers vacancies, and not only does she cover those shifts, she does it cheerfully and willingly.

Deb was going to work here as a stepping stone to a hospital position, but found immediately that geriatrics was her nitch. “I get to work with people personally”, she said, and for Deb, that is the factor that keeps her energized.

Deb loves to walk, spend time with friends, watch her husband play pool, and play golf with her husband, sons and daughter-in-law.

So much has changed in 34 years and for Deb, the best change has been the pointed focus on therapy and rehabilitation so that residents are strengthened and then able to return home!

Asked for parting words of wisdom Deb replied, “We are a wonderful place; we truly are.”

Bruce Koskovich

Chaplain Bruce Koskovich
On November 19, Lakeview Campus held an Open House in which we shared with the community the progress of our capital improvement project. The fundraising campaign in which we embarked upon in early 2015 consists of planning a leading edge facility that will allow us to care for the people of this community and surrounding communities well into the twenty first century.

When completed, our cozy neighborhoods will promote warmth and calmness and include opportunities such as fine dining, bistro choices, and shopping opportunities to the residents of Lakeview Campus as well as the citizens of our community.

Our Open House was a wonderful opportunity to show those that attended the progress of our campaign efforts and the vision that we hold for our future. Representatives from the architect company Horty Elving were present to give tours and answer any questions that evening and also provided us with many visuals to help us envision what our building will look like after renovations.

We would like to thank all those that took the time to visit with us during our open house. The plans are drawn, the vision is clear, and the excitement is palpable. If you have any further questions or a desire to hear more about our renovation plans, please do not hesitate to contact Lakeview’s Foundation.

Help turn our dreams into reality. Please find it in your hearts to leave Lakeview in your legacy plans and help us continue in the efforts to demonstrate God’s love for his people. We will need everyone’s continued support to turn our dreams into reality.

---

**Exciting Campus Face Lifts**

We have a new face lift in our East Dining Room. The old square tables have been replaced with round ones. We have gorgeous new table cloths and new chairs too. This has made the dining room look so much different!

Our residents love the bright and cheery atmosphere. Stop in and take a tour.

---

Many other exciting Face Lifts have been happening at Lakeview recently. Doug Ohman’s photography can be seen hanging on many walls throughout the building. Over 70 new pictures bring a fresh view of nature and other peaceful scenery to the residents and staff.

We also recently replaced the carpeting in the front entry way by the chapel and in the front office. The new carpeting is safer and brings a warmer, homelike environment to our building.
At Lakeview Health Services, when your beloved family member joins our family, they remain part of our family forever. It has been a long standing practice in our weekly Sunday morning Chapel worship service to celebrate the passing of any of our loved ones that have gone to be with God during the previous week.

In addition to this special time, we also include them during a dedicated memorial time during the weekly service on the last Sunday of each month. When a resident passes away, we invite the family of that resident to attend the memorial so we can honor their loved one with their presence.

Each November 1, on All Saints’ Day, we collectively celebrate those that have passed in the previous year.

It is with sincere appreciation that we acknowledge these memorials and gifts received by Lakeview Health Services Foundation from July 1, 2015 to November 30, 2015.

Acknowledgement from Gary and Dagmar Howe

To All Staff:

We would like to express the profound gratitude which we feel toward the staff members of Lakeview Methodist Health Care Center, Woodland Manor and Maplewood Residence who were instrumental in caring for and contributing to the well being of our beloved mother, Peggy Krueger.

Peggy, our Pepsi loving, Danish mother, was happy to be a resident in your facility during the course of the past fifteen years. She often mentioned how she enjoyed the various activities in which she was able to participate on a daily basis. The Bible studies with Bruce were something she really looked forward to each week. She loved various activities in which she was able to participate on a daily basis. The Bible studies with Bruce were something she really looked forward to each week. She loved
