A Christmas Message From The Director Of Chaplain Services

And you will find a babe wrapped in clothes and lying in a manger. And so the Holy Scriptures in the Holy Bible proclaim this grand announcement spoken by God’s Holy Angels to shepherds in a field near Bethlehem. There must have been many babies in Bethlehem in swaddling clothes. But to find one in a manger was the sign given by God to signify the resting place of HIS only begotten Son, our Savior, Jesus Christ.

God our Creator, and Father of us all, sent HIS Son into the world for our salvation from sin and to offer us a gift of forgiveness and eternal life through HIS Son, Jesus Christ. We must remember, God is not out to “get” us, but to redeem us. God invites us into HIS Eternal courts and offers us a new life in a new heaven and earth to come. Today, we live in the second advent of Jesus Christ, as we look for HIS coming again to reign over all the earth and nations as our King of Kings and Lord of Lords.

As a faith-based campus we strive to celebrate all the holy days throughout the year. Here at Lakeview Methodist Health Care Center, our entire campus of Independent Living at Maplewood Residence, our Assisted Living at Woodland Manor, and our Long Term Care Facility at Lakeview celebrates this season of Christmas with traditional decorations and ornaments and a campus-wide Christmas Day service on Sunday, December 25 at 10:15 am in our beautiful campus Chapel.

This is a season of joy and expectancy! May God bless all!

The Lakeview Campus Staff and Residents wish everyone a most blessed Christmas and may God bless us with a prosperous New Year!

Bruce Koskovich
Chaplain

A Note Of Thanks

We would like to extend our greatest “Thank You” to the Juanita Schmeeckle Foundation Board of Trustees, as Lakeview was one of those chosen to receive the Juanita Schmeeckle Grant. This grant will continue to help us achieve our goal of renovations and an addition to our loving home at Lakeview.

With sincere gratitude —
Mae DeWar-Aust
Foundation Director
Renovations have been completed in our East Dining Room. Pretty tablecloths adorn the round tables where our residents dine each day.

Upcoming renovations and additions will bring a twenty-one bed transitional care wing along with upgrades to the first and third floors of Lakeview.

Our guests are welcomed with beautiful pictures of Doug Ohman’s photography displayed throughout the dining room.

### Our Vision Into The Twenty First Century Continues

Taking Great Pride In Caring For Our Residents

Recently we had a company called Senior Care Solutions here to do a “Mock Survey” of our facility. They gave some very positive responses of our facility:

- Great interaction between residents & staff
- Staff observed to explain procedure of cares with residents
- Clean environment • Many activities
- Generous staffing patterns

These are just some of the great things that we are doing at Lakeview. With the staffing model we currently have we are very proud of our resident to staff ratio. We are approximately one nurse aide staff member to every five residents during the busy day hours. This is something that we have been working very hard at to maintain to help provide the highest quality of care that we can.

### Scrumptious Cookie & Candy Sale

Tuesday, December 6 marked one of the sweetest days on our campus!

Each year the Lakeview Health Services Auxiliary hosts a holiday cookie and candy sale. Shoppers came and filled their boxes with homemade goodies to share with family and friends.

### Make A Difference, Volunteer

- Visiting with residents
- Assisting residents with elevator at meal times
- Helping with bingo at Woodland Manor

**Adult Volunteers Always Needed**
Please contact Jessica Gronewald, Volunteer Coordinator at 507-235-6606, ext 243

Woodland resident, Dorothy Schultz poses with Danielle Roben, RN.
I see myself staying here until I come to live here; this is my place to be," truly a proclamation of Lakeview being the apple of Kim Appel’s eye! Kim worked at Lakeview for five years, left, but returned nineteen years ago and has loved every minute of her work for these many years. Kim can cover anywhere, Maplewood, Laundry, Dietary, Activities, and there are many weeks where she is here in every one of those capacities. She is especially helpful with serving breakfast. Living just a few blocks away, she often comes on her “days off” to help with that first meal of the day on the floors. Kim further states “I love my coworkers; they are great, and the residents boost my spirits every day!”

Kim and her husband have three children, Kendra, Melissa and Shawna, and one grandson, Che, who is twelve.

Kim says Lakeview and her family are her hobbies and she is not a traveler, so she is mightily thankful that all of her friends and relatives live in the area!!

I asked Kim what a good day for her is, and she answered, “When I can make other people as happy as I can.” Kim, we are extremely happy that you are part of this Lakeview family!

Thank You Kim!

New Therapy Company Debuts On Our Campus

Merry Christmas! As the Holiday approaches it is such a joy to hear the carolers in the hallways, taste the sugary goodies in the lounges, see the wonderful decorations in every room, and hear the wonderful news of our Savior’s birth being proclaimed from the chapel!!

Although not yet New Year’s Eve, at Lakeview we already had to bid adieu and hail anew! On November 30, through memories and tears, we said goodbye to the Mayo Therapy staff who have been dedicated to Lakeview residents for decades. We were very privileged to have been the only non-hospital therapy site that Mayo served for many long years. As our business models now go in different directions, we will forever be grateful for the highest level of excellence that Mayo Therapy brought to our campus each and every day.

December 1 ushered in the start of a new era, as we begin a contract with Aegis, a long term care therapy company. On day one we saw ten of their therapists here entering data into their computers, getting to know Lakeview residents, greeting staff, and especially familiarizing themselves with specific therapy orders.

The company has many contracts in Minnesota, and throughout the Midwest, Mayo’s Director of Therapy and the Aegis Therapy Director worked beautifully in tandem to assure a very smooth transition for our residents, and no one missed a beat, or shall we say, a leg lift!!

Betty Krueger, resident of Lakeview Methodist Health Care Center enjoyed looking at the produce entries at the 2016 Martin County Fair.

Our campus halls were packed with cute little ghosts and goblins during our annual Halloween Candy Walk.
