

READY, SET, GO!

When the daycare children are outside playing, we often hear the familiar call: **Ready, Set, GO!**

Lakeview Methodist was **READY**: Dedicating \$1.25 Million to build a brand-new child daycare center on our campus!

Supporters were **SET**: We hit the ground running with **GO** thanks to Fred W. and Shelly Krahmer who generously donated in 2020 and recognized the need and got us planning and excited!

But **GO** became **STOP** when COVID induced material shortages left us needing \$950,000 additional dollars!

To date we have received additional generous commitments from VALERO Renewables of Welcome, Easy Automation INC, Harold L. Bentele Trust, Ruth Draut, Marlowe and Jean Potter, Jerry and Mary Evelsizer, Delia Larsen Lueth Trust, Lola Schultz, and Carl and Jo Smith. We are incredibly thankful for all the generosity.

Help us get back to **GO!!** Join our benefactors to leave your legacy and donate today so that 99 additional children in Martin County will have child daycare. This will enable scores of parents to re-enter employment so that Fairmont businesses can grow and prosper!

Together as a Community, we can shout: **Ready, Set, GO!!!**
