Winter 2015/2016

Our mission is to demonstrate God's love for His people through a continuum of life enhancing supportive services for older adults and their families.

## A Message From The Director Of Chaplain Services

"As the days grow darker in December, we all the more seek light."

The month of December has the shortest day and the longest night, yet we as Christians celebrate the entrance of **THE LIGHT OF THE WORLD** during this Christmas season.

We are reminded again, that God our Creator and Father of all, entered into the world for us through Jesus Christ our Lord for our salvation from sin.

What a loving God we have. ONE who has not abandoned us but came for us to reconcile us unto Himself so that we might enjoy His Eternal Presence now and forever through Eternity.

This is the season of self-sacrificial love as God demonstrated to us through His Son Jesus, who, gave of Himself on the cross to secure our forgiveness of sin and to secure for us a place to dwell for eternity with our God and Savior.

Here at Lakeview Methodist Health Care Center we celebrate this season of Christmas with traditional decorations and ornaments and a campus-wide Christmas Eve service on December 24.

As a faith based campus we strive to celebrate all the holy days throughout the year. So as we prepare in this Advent season to once again celebrate the first Advent of Jesus, so now we live in the Second Advent of Jesus, waiting for Him to fulfill all prophecy and come for us to Reign as our King of Kings and Lord of Lords, and to usher in the promised new heaven and earth.

*What a season of joy and expectancy! May God bless all of you!*

Lakeview Methodist staff and residents wish for all a most blessed Christmas and may God bless us with an expectant New Year.

Chaplain Bruce Koskovich

Bruce Koskovich

**Deb Allen, Valued Employee Of 34 Years**

## Employee Recognition

When interviewing a 34-year veteran, there is really only one opening question: "what has kept you at Lakeview for so long?" Without missing a beat Deb answered, "I LOVE this place! The residents and their families are MY second family." Deb not only works a full time schedule, she covers for ill co-workers, she covers during snowstorms, she covers vacancies, and not only does she cover those shifts, she does it cheerfully and willingly.

Deb was going to work here as a stepping stone to a hospital position, but found immediately that geriatrics was her niche. "I get to work with people personally", she said, and for Deb, that is the factor that keeps her energized.

Deb loves to walk, spend time with friends, watch her husband play pool, and play golf with her husband, sons and daughter-in-law.

So much has changed in 34 years and for Deb, the best change has been the pointed focus on therapy and rehabilitation so that residents are strengthened and then able to return home!

Asked for parting words of wisdom Deb replied, "We are a wonderful place; we truly are."

# Building A Senior Community Inside The Fairmont Community

Deb Barnes Administrator pictured with Tu-Anh Bui Johnson and Rick Moore of Horty Elving Architects.

On November 19, Lakeview Campus held an Open House in which we shared with the community the progress of our capital improvement project. The fundraising campaign in which we embarked upon in early 2015 consists of planning a leading edge facility that will allow us to care for the people of this community and surrounding communities well into the twenty first century.

When completed, our cozy neighborhoods will promote warmth and calmness and include opportunities such as fine dining, bistro choices, and shopping opportunities to the residents of Lakeview Campus as well as the citizens of our community.

Our Open House was a wonderful opportunity to show those that attended the progress of our campaign efforts and the vision that we hold for our future. Representatives from the architect company Horty Elving were present to give tours and answer any questions that evening and also provided us with many visuals to help us envision what our building will look like after renovations.

We would like to thank all those that took the time to visit with us during our open house. The plans are drawn, the vision is clear, and the excitement is palpable. If you have any further questions or a desire to hear more about our renovation plans, please do not hesitate to contact Lakeview's Foundation.

Help turn our dreams into reality.  
Please find it in your hearts to leave Lakeview in your legacy plans and help us continue in the efforts to demonstrate God's love for his people.  
We will need everyone's continued support to turn our dreams into reality.

## Exciting Campus Face Lifts

We have a new face lift in our East Dining Room. The old square tables have been replaced with round ones. We have gorgeous new table cloths and new chairs too. This has made the dining room look so much different!

Our residents love the bright and cheery atmosphere. Stop in and take a tour.

Many other exciting Face Lifts have been happening at Lakeview recently. Doug Ohman's photography can be seen hanging on many walls throughout the building. Over 70 new pictures bring a fresh view of nature and other peaceful scenery to the residents and staff.

We also recently replaced the carpeting in the front entry way by the chapel and in the front office. The new carpeting is safer and brings a warmer, homelike environment to our building.

**Our Residents And Staff Love To Cheer For Their Favorite Football Teams And Even Dress The Part**

Residents are: Norma Yahnke, Margaret Meier, Maxine Cassem, Char Kost & Ron Kost

**Join The LAKEVIEW HEALTH SERVICES AUXILIARY Today!**

Membership is open to all men and women. There are two annual meetings for members to attend. They are held the first Monday in October and the fourth Monday in April.

**Employment Opportunities**

Become a part of our Lakeview Family that takes great pride in caring for our residents. Our facility maintains excellent staffing ratios. We offer a rewarding work environment with many attractive benefits.

Areas of employment include:

- Housing • Nursing • Dietary
- Housekeeping • Laundry
- Maintenance • Social Services • Activities

Check our website  
[www.lakeviewmethodist.org](http://www.lakeviewmethodist.org)  
for current openings.

At Lakeview Health Services, when your beloved family member joins our family, they remain part of our family forever.

It has been a long standing practice in our weekly Sunday morning Chapel worship service to celebrate the passing of any of our loved ones that have gone to be with God during the previous week.

In addition to this special time, we also include them during a dedicated memorial time during the weekly service on the last Sunday of each month. When a resident passes away, we invite the family of that resident to attend the memorial so we can honor their loved one with their presence.

Each November 1, on All Saints' Day, we collectively celebrate those that have passed in the previous year.

*"The care that my parents received at Lakeview was always courteous, gentle and dignified. Our area community is blessed to have such a wonderful facility with such caring staff."*  
Mike McNerney

**To All Staff:**

We would like to express the profound gratitude which we feel toward the staff members of Lakeview Methodist Health Care Center, Woodland Manor and Maplewood Residence who were instrumental in caring for and contributing to the well being of our beloved mother, Peggy Krueger.

Peggy, our Pepsi loving, Danish mother, was happy to be a resident in your facility over the course of the past fifteen years. She often mentioned how she enjoyed the various activities in which she was able to participate on a daily basis. The Bible studies with Bruce were something she really looked forward to each week. She loved to sing and would usually participate in that activity. Her involvement in the rip and roll project made her feel useful. She always expressed appreciation for the comfort of the apartments and the sunny room in which she was able to reside over these years. She liked the meals, especially since she didn't have to prepare them. Sometimes she would express that she felt like she was on an extended vacation in a very nice resort with an attentive, helpful staff who were willing to cater to nearly every one of her wishes.

We value the fact that our minds were at ease, knowing that she was not alone and always had people in her life. We felt comfortable to be able to go on a vacation, and we were assured that there would be assistance for mother while we were gone.

Whenever an issue arose that needed to be resolved, the staff was always willing to listen and help. The times that we felt disappointed by a difficulty that needed attention and was not properly addressed, were few and far between.

During the last few years of her life, mother had a better quality of life being in the Lakeview environment and we are grateful for that. Hats off to each one of you who genuinely loved and cared for Miss Peggy. Please know that Peggy was fond of all the staff members and never felt abandoned or abused. She appreciated the special treats; the cookies, popcorn, juice, Pepsi and those extra playing cards that made their way into her room. Thanks for all the memorable gifts that were so freely given by your staff.

Best of all, mother had made many lovely friends during the fifteen years she was there and she certainly cherished each one of those friends until the day that she departed.

With our deepest gratitude for all your hard work,  
 Gary Howe, (Peggy's son) and Dagmar, (daughter-in-law)

Peggy Krueger
